The more we raise the more clues come out!
Each coin has 5 clues, 4 clues are \$50 clues, The State Clue is a \$100 Value
Or one donation of \$300 gets you the GPS Coordinates to the location.
- 5- \$300 collected by a hunter can unlock the coin of their choice. An unlocked coin's clues and GPS location will be emailed to the hunter and then released to all hunters the following Monday on Monster Monday. Posted the following day on the website.
- 6- Hunters promote the hunt and gather donations to their campaign.
- 7- Hunters collect clues and go out and see the sites
- 8- The more \$ we raise, the more clues get unlocked and the more coins are located.
- 9- Hunters find Coins! Now what?
- 10- When hunters find coins, post pics of the site that coin was found.

Our Why-

Each year we set out to help kids who have Duchenne Muscular Dystrophy. Or simply DMD

DMD is a rare form of Muscular Dystrophy that typically affects boys. This is a muscle wasting disease that slowly debilitates those affected. DMD has many treatment options but no cure. Many treatments are experimental and not covered by insurance. As DMD progresses it affect the boys ability to walk and typically by age 9 the kids lose the ability to walk and require the use of wheel chairs and Handicap accessible vans, or as we call them- HERO HAULERS!

That's what these kids are. HEROES! These Heroes need a Monster to help them fight. That's were Mile Monsters Inc. comes in. We are the support system for these Heroes and we help the families with things not covered by insurance.

We also provide unique experiences for the Heroes that only a Monster can provide. The Monsters have one simple mission. Help these Heroes LIVE THEIR BEST LIFE! That's it. Because of you they are able to do just that. Live their best life. The Geo hunt will put Monsters like you across the country spreading awareness for their cause and making them FAMOUS!

Thank you all for stepping up and doing something for these kids. We hope you have fun and make some memories along the way. Cheers
